

# CONNECT

## STOP WASTING MONEY AND START GETTING RESULTS

Our CONNECT trade show kiosk saves you money, ensures your exhibit staff are product experts on everything you sell and helps get attendees into your booth. We supercharge your lead generation and provide analytics detailing how each lead interacted with your content in the booth and post-show.

### TOUCH SCREEN KIOSK

#### Features:

- 32" ELO touch screen
- Lenovo ThinkCentre M70q Tiny Desktop
- Modern cabinet design
- Windows application
